

Tar Creek Superfund Site Chat Sales Workshop

If you are a purchaser or buyer of chat, or interested in buying or selling chat, please come and participate in the U.S. Environmental Protection Agency's (EPA) Availability Sessions and the Chat Sales Workshop being held on August 19, 2008, 5:00 pm – 8:00 pm., at the Miami Convention Center. Representatives from the EPA, Oklahoma Department of Environmental Quality, Bureau of Indian Affairs, U.S. Department of the Interior and the Quapaw Tribe will be available to discuss and answer your questions about purchasing and selling chat. Information and reporting requirements about compliance with the Chat Rule, 40 CFR Part 278 will be discussed during the workshop.

Date: August 19, 2008
Event: Chat Sales Workshop
Location: Miami Civic Center
129 5th Avenue NW
Miami, Oklahoma 74354
Time: 5:00 pm – 8:00 pm

Representatives will also be available to meet with you one-on-one at the Availability Sessions:

Date: August 19, 2008 **Time:** 3:00 pm – 4:30 pm
Date: August 20, 2008 **Time:** 9:00 am – 11:00 am

The workshop is being held in a fully accessible facility. Should you have specific needs or questions about this facility's compliance with Americans with Disabilities Act requirements, please contact Janetta Coats, U.S. EPA Community Involvement Coordinator, at 1-800-533-3508 (toll free) or 214-665-7308 (direct line).

WE WELCOME YOUR PARTICIPATION
